Elana -- Somali Ambassador Arman & I are in Washington for meetings on the critical situation in Somalia. The national security implications for the US are serious. We would appreciate the opportunity to brief you on developments in the TFG and the potential for a democratically driven outcome. The PM has called for a vote of Parliament on the so-called Kampala Accord per Somali Constitutional mandate, which puts the matter in the hands of a broader representative constituency. We would value your input into this matter. Any time you can give us today or tomorrow would be most appreciated. John Zagame (518 312 0343)

Elana Broitman  
Senior Advisor  
Senator Kirsten Gillibrand  
478 Russell Bldg.  
Washington, DC 20510

Dear Elana,

Thanks for taking time to meet with Somalia US Special Envoy Abukar Arman and me yesterday. The discussion was most productive.

As has been previously mentioned, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Republic of Somalia.

Ambassador Arman and I will stay in touch with you to provide relevant information regarding the situation in Somalia,

particularly as relates to the Transition Federal Government (TFG) efforts to conduct an ongoing campaign against both Al Shabab extremists and piracy along Somalia's coast. Senator Gillibrand's position on the Senate Armed Services Committee puts her in a key position to monitor -- and where possible support -- the efforts of Somalia's Prime Minister Mohamed Abdullahi Mohamed to build peace and progress there.

As Ambassador Arman indicated, a number of Somali-Americans have returned home to Somalia to assist in this effort. General Abdulkadir Ali Diini was recently appointed by Prime Minister Mohamed to lead the Somali National Military. He has been living in Columbus, Ohio for the last 10 yrs. His US Military Military Training includes:

1989-90 US Army War College, Pennsylvania  
1986-87 US Army Command and General Staff College, Pennsylvania,  
1986 US Army John F. Kennedy Special Warfare Center, North Carolina, USA

And inasmuch as the Prime Minister is also a New York constituent, I'm forwarding below a link to a story of his recent visit to the US.

It is clear that in the case of Somalia the fundamental values of freedom we as American's share are at the forefront of a remarkable story unfolding in that troubled but hopeful land.

Regards,

John Zagame  
VP, Park Strategies LLC

Elana --

This is reference to your e-mail below to Joel Giambra. Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Republic of Somalia. I am in DC this week with **Somalia's US Envoy Abukar Arman** and we would like to take a few minutes of your time to brief you on progress being made by the government of Somalia against the Al Shabab extremist organization and improvements the Transitional Federal Government (TFG) is making to restore order to that war torn nation.

The Somali Government is led by a former Buffalo NY resident, Mohamed Abdullahi Mohamed, who is serving as Prime Minister of the TFG. He has brought back to Somalia with him a number of US Somali's who are literally rebuilding their nation.

I know time is precious this week on Capitol Hill, but if you can manage to meet with us it would be most appreciated.

Regards,

John Zagame
